

Disclaimer of Warranties - Limitation of Liability

Thin Film Technology warrants its product for a period of 1 year at normal operating conditions.

Thin Film Technology warrants solderability of products, stored in recommended storage conditions, for a period of 5 years from the date of manufacture, or 1 year from date of shipment, whichever is longer.

Recommended storage conditions include temperature (+5 to + 35°C) and humidity (45-85% RH). In addition, do not store products in direct sunlight, or expose them to particulate contamination or harmful gases such as sulfuric acid, hydrogen chloride, and maintain product in the original packaging until use.

Thin Film Technology (TFT) will replace or repair product deemed defective, at our discretion, for a period of one year from the sale of such product.

Except for the warranties expressed herein, TFT disclaims all other warranties, either express or implied, including implied warranties of merchantability or fitness for a particular purpose.

The term of any implied warranties that cannot be disclaimed are limited to the term of this agreement. TFT's and your maximum liability to the other is limited to the purchase price you paid for products or services.

Neither you nor TFT is liable to the other if you or it are unable to perform due to events you or it are not able to control, such as acts of God, or for property damage, personal injury, loss of use, interruption of business, lost profits, lost data or other consequential, punitive or special damages, however caused, whether for breach of warranty, contract, tort (including negligence), strict liability or otherwise.
